NARBERTH, PENNSYLVANIA, APRIL 9, 1937

PRICE, FIVE CENTS

## Way Cleared for P.S.C. Approval of Rockland Ave. Bridge Project

### Amicable Agreement Reached Among Township, Borough and Railroad

TO COST ABOUT \$7,000.00

A clear case for the necessity of widening the Rockland avenue railroad bridge to insure the safety of children using the span, was laid before the Public Service Commission Wednesday.

No opposition was registered from anyone attending the hearing held in Philadelphia City Hall before Russell Wolfe, of Stafford, examiner for the State P. S. C.

Among those giving testimony were Clarence E. Hall, president of the Merion Civic Association which has sponsored the improvement; Lower Merion's township engineer Walter E. Rosengarten and superintendent of schools S. Edgar Downs; Narberth's superintendent of public works George B. Supple; Pennsylvania Railroad's engineer S. A. Sloan, of Cynwyd; Merion residents, Dr. and Mrs. Louis Scheffey, Mrs. Walter Tait, George Pettinos, Jr., and Mr. and Mrs. Nelson Billington.

Photographs as well as oral testimony were introduced.

A tentative allocation of costs includes: For widening approaches and building a retaining wall—Lower Merion, \$850; Narberth, \$1253. For building footway on bridge, \$2300, and relocating overhead wires, \$2200, both to be borne by the Pennsylvania Railroad Company.

According to Mr. Sloan, about two months would be required for the railroad's part of the work during which time it would be necessary to have the bridge closed. The span is used each weekday by children attending the Merion Public School.

This Friday evening a meeting of township and borough officials will be held in Narberth Council Chambers to determine an equitable division of costs between Lower Merion and Narberth. Borough Council thus far has only authorized \$500 as the town's share of the project and it is contended that only about one-fourth of the territory affected is within the borough limits. Borough Council is expected to act further on the matter Monday night at its April session.

Among the parties interested the chief question now is, how soon will the P. S. C. give its official O. K. to the work. It is felt that some delay will be occasioned by the recent appointment of an entire new group of commissioners and subsequent change in office personnel.

Others attending the hearing included three solicitors: Earle Hepburn, Merion Civic Association; Henry A. Frye, Narberth Borough; James M. Brittain, Lower Merion Township, and William H. Durbin, Public Safety chairman and member of the Narberth Highway Committee.

### Mulieres to Close Season With Meeting and Party

The Mulieres of the Narberth Fire Company will hold their last business meeting of the season in Elm Hall on Monday at 2 P. M. All members are urged to be present.

On Wednesday at 12.30, in Elm Hall, the Mulieres will give their last card party of the season for the benefit of the Fellowship Work in the club. Mrs. Charles L. Viguers, Jr., and Mrs. Stanley Haigh are the chairmen of the committee planning the affair, and those assisting are Mrs. E. B. Hoskins, Mrs. Mary Miller, Mrs. Edith Gilpin, Mrs. John L. Minick, Mrs. William Mulholland, Mrs. Frank C. Stiefel, Mrs. Nelson C. Rowley, Mrs. Lawrence Altman, Mrs. Charles Haist, Mrs. E. H. Cockrill and Mrs. C. C. Tyson. Prizes for each table. Reservations may be made with any member of the committee.

### Penn Wynne Wins Title, Beats Boro Third Time

Jim Henderson's Penn Wynne five won the Main Line Basketball League championship Monday night at Haverford College, when they beat Narberth for the third time in the playoff for circuit laurels, 49-42.

Penn Wynne managed to pile up a 13-9 lead in the first quarter and kept increasing it until the final period when both teams scored seven points apiece.

### Young Republicans Will be Guests at Council Meeting

Young Republicans of the township and borough will be the guests of honor at the luncheon meeting of the Lower Merion-Narberth Council of Republican Women which will be held Tuesday at Erskine Hall, Haverford. The guest speaker will be Mrs. James E. Hollingsworth, of New York City, who will talk on "Getting Ready for the Congressional Elections of 1938."

Mrs. Warwick Potter Scott, council chairman of Young Republicans, will be the hostess and present the speaker. Preceding the luncheon, a panel discussion of pending legislation will be conducted by Mrs. Herman L. Schwartz, Legislative chairman.

### Work Among Women Prisoners Told Club

### Mrs. H. D. Jump Describes Rehabilitation of Inmates at Two Institutions

Mrs. H. D. Jump, member of the Board of Moyamensing and Holmesburg Prisons, was the speaker at the meeting of the Women's Community Club of Narberth on Tuesday afternoon.

Mrs. Jump, who is the only woman on the board, gave an interesting account of her work among women in prisons, and the various changes for the betterment of conditions for women prisoners.

She also stated that these changes came about gradually as it took her a long time to convince the officials that prisoners should be occupied in some sort of work, as well as to have clean and fairly bright surroundings. She declared that kindness and work have done much for the inmates.

Using contributions of money, she established Occupational Therapy in the Holmesburg prison. She also invited any of the members to visit these prisons. Parties of six will be conducted through them by appointment.

Another speaker was Miss Joan Wollaston, of Ardmore, who spoke on behalf of the United Campaign, which opened Tuesday.

Mrs. Ralph C. Heath, the president of the club, paid a tribute to Mrs. Lucretia Blankenburg and also Mrs. Jump.

Two new members of the club are Mrs. Lindley Trotter and Mrs. W. J. Mulholland. Mrs. W. E. G. Miller, assistant art chairman, gave an interesting talk on the Circulating Picture from the Art Alliance which is by Paul Gill, of Wynnewood.

The Literature Group, Mrs. E. A. Jamieson, chairman, announced that the next meeting would be on Tuesday at the home of Mrs. Edward H. Heymann, on Shirley road. Mrs. William H. Muller will be the co-hostess and Mrs. J. S. Ehrlichson will review the "Turbulent Penderales" by a Philadelphia writer.

The fellowship luncheon and card party will be held at the home of Mrs. Verna R. Woodcock, 1128 Montgomery avenue, next Thursday.

Mrs. Harriet Heath and Mrs. Mary Miller were at the table. Mrs. F. C. Stiefel was the hostess.

The next meeting will be held on April 20 when the election of officers will take place.

### Notes of County Federation

The Montgomery County Vocal Ensemble, under the direction of Helen Riddell Holcomb, will meet at the New Century Guild, 1307 Locust street, April 13, at 11 A. M.

Montgomery County Federation's meeting at Red Hill, as guests of the Perkiomen Valley Women's Club, will be April 15 at 10.15 A. M. to last all day. Members will bring box lunches.

### Luther League to Give Play

The Senior Luther League of the Holy Trinity Lutheran Church, Narberth, will give "Pulling the Curtain," a three-act comedy, on April 29 and 30. The cast includes many who participated in last year's successful production, "The Village Choir."

Dwight Mackell and Sam McCartney, who scintillated in Lower Merion plays, have leading roles in "Pulling the Curtain."

### Originality Displayed at Cub Pack Exhibit

The Cubs of Narberth Pack gathered last Friday evening with their parents at the Legion Room for the second annual Hobby Show. While not so many as last year competed, the exhibits showed more originality. The judges were Burns F. Best, principal of Wynnewood School, and Clark L. Miller of the Wynnewood Scout Troop Committee, and prizes were awarded as follows:

Collections: First, Ralph Hoyle, buttons and badges; second, Tom Butler, match covers; third, Fred Kuebler, pennants.

Handicraft: First, Henry Frye, boat; second, Paul Mason, desk and chair; third, Frank Cortright, wood-burning.

Originality: First, Ralph Viguers and Bill Snyder, puppet show; second, Jack McQuiston, dressing table; third, Henry Frye, match cover designs.

After the awards a reel of film showing the operation of a Cub Pack with Dens and Den Mothers was shown to the great delight of the boys. Leland Gibbs, district chairman of the Sons of the American Legion and Ralph Campbell, past commander of the Bullock-Sanderson Post of Ardmore, operated the camera.

### Field Fires Endanger Homes, Tax Apparatus

Numerous small blazes in the Eastern Main Line are taxing fire-fighting equipment to the limit. Penn Wynne's company is hardest hit with two pieces out of commission, while in Narberth one of the trucks is undergoing repairs.

Also uncut weeds and dried grass on vacant lots, particularly in Penn Valley and Cynwyd Estates sections, are a constant menace to residences in the vicinity, according to firemen.

Local fire calls responded to in the last week were:

By Narberth Fire Company: April 2, 3.50 P. M., grass on Black Rock road, Gladwyne. April 3, 2 P. M., field, Fairview road near Summit road, Penn Valley; 5.20 P. M., field, 696 Beacom lane, Merion. April 6, 1.40 P. M., field, Summit avenue, Penn Valley. April 7, 1.47 P. M., field, Summit and Fairview, Penn Valley; 3.45 P. M., grass at 401 Woodbine avenue, Narberth. April 8, 12.05 A. M., Narberth Station platform; no damage.

### "Heads-Up Baseball" Picture at Narberth M. E. Tonight

Arrangements have been made to show the new American League Talking Film, "Heads-Up Baseball," in the Narberth M. E. Church, on Essex avenue, Narberth, this Friday evening, at 8.15 P. M.

This outstanding film on baseball is being presented through the courtesy of the Philadelphia Athletics and local fans are fortunate in having an opportunity to learn more about the great national pastime by watching the stars of the American League perform for them on the screen.

### Main Line Baseball League Will Include Ten Clubs

Rather than disappoint the fans of two communities, officers and managers of the Main Line Baseball League have reversed their decision to keep the circuit at eight clubs, and, in a week-end ballot by telephone, have voted in two more teams.

The newcomers are the Twin-Boro nine, representing Royersford and Spring City, and a Pottstown team. The season will open May 22, as scheduled, with these teams:

Twin-Boro, Pottstown, Coatesville, Downingtown and Paoli.

Narberth, Gladwyne, Brookline, Upper Darby and Media A. A. Walter E. Hanley, Paoli, is president, and Charles Harnden, Penn Valley, is secretary of the league.

### Former Political Leader Suffers Second Stroke

Charles Johnson, former Republican leader of Montgomery County, suffered another slight stroke and heart attack at his home in Plymouth Township Saturday night. His condition was reported as still critical.

On Wednesday he was admitted to the Montgomery Hospital in Norris-town.

Mr. Johnson retired from active politics following his first stroke, which occurred August 31, 1934.

## Underpass Survey Indicates Problem Due to 3 Grades

### Elevation Variances Being Taken in Center Part of Borough

### CONSIDER NEW STATION

An elevation and topographical survey is being made in Narberth to determine the feasibility of a vehicular tunnel under the Pennsylvania Railroad, connecting the north and south sides of the borough at Essex avenue.

Considerable of an engineering job is indicated for the proposed underpass in the preliminary work done by the surveyors under the direction of Fred W. G. Peck. There is a difference of six feet in the elevations of the two sides at Essex avenue, the north having 18 feet clearance and the south 12 feet, and also North Essex and South Essex avenues are not in a line with each other.

At the point, also, there are three different grades encountered, Haverford avenue sloping to the south, Essex avenue to the east and the railroad rising to the west. The survey includes the entire center of Narberth bounded by Narberth, Windsor and North Wynnewood avenues, East Wynnewood road and Chestnut avenue.

Data and a topographical map are expected to be ready for the Public Improvements Committee appointed by Burgess John R. Hall and also for Borough Council about May 1. Among other phases considered by the committee is the possible necessity of a redesign of the Narberth railroad station.

Mr. Peck's corps is also working on two Montgomery County topographical projects under the supervision of Frank A. Schrepfer, of Narberth, professor of landscape engineering at the University of Pennsylvania, and by direction of the county commissioners.

Mr. Peck also has prepared plans for the regrouping of the Community War Memorial, a project of the Harold D. Speakman Post, American Legion, Narberth.

### Final P. T. A. Study Group 14th

The final meeting of the Parent-Teacher Education class of the P. T. A. will be held Wednesday at 10.30 A. M. in the American Legion room of the Community Building. During the year we have studied and discussed the influences of health, safety, efficiency and recreation on "Home and Community Life." "Radio as a Source of Home and Community Education" is the subject selected for the final meeting of the school year.

Mrs. W. Grier Briner will conduct the meeting. A social hour will follow the meeting, when tea will be served by the group hostess, Mrs. Leslie Moxon.

### Schrepfer Not a Candidate

Political rumors (always good for headlines on a dull day) that Frank A. Schrepfer would be a candidate for borough councilman this fall, possibly on the Democratic ticket, have been scotched.

In a volunteered statement Mr. Schrepfer said:

"I will not be a candidate for Narberth councilman this fall. In particular, I will not be a candidate on the Democratic ticket."

## Mulieres Outdo Previous Efforts In Providing Delightful Banquet

Each year the Mulieres of the Narberth Fire Company try to improve on their previous banquet to the company's active members and officers, and somehow every year the ladies succeed in their attempt.

Surprises at last Thursday evening's affair included the announcement that gold medals would be awarded to Vincent Cunningham and George Gillespie in recognition of their long service as firemen. A basket of fruit was presented to the president, Tristan B. duMarais, and home-baked pies to Dr. Albert C. Barnes, head of the Barnes Foundation in Merion, and to John H. Jefferies, Jr., the toastmaster.

Prizes for the active members were won by William Bailey, Ernest Boulay, Joel Rubieam, Guy Mosteller,

### Rotary Leader

WILLIAM HOLMES DURBIN  
president-elect of the Bala-Cynwyd-Narberth Rotary Club.

## Durbin and Staley Will Head Rotary

### Secretary and Treasurer Re-elected; Club Hears of Canada Gold Mines

Bala-Cynwyd-Narberth Rotarians on Tuesday chose William H. Durbin as their thirteenth president. Dr. R. M. Staley was elected vice-president, while re-elected were Dr. F. M. Purse, secretary, and Hervey C. Keim, treasurer.

Chosen for the Board of Directors are Eugene H. Davis, Dr. Richard C. Mears and W. James Drennen, incumbent president, whom Durbin will succeed July 1. All the officers are Narberth men except Dr. Mears, whose office is in Bala.

President-elect Durbin is a Narberth councilman and realty agent, while the vice-president, Dr. Staley, is a veterinarian.

A discussion of gold mining in Canada was given before the members at the Overbrook Golf Club by E. A. Engelhart, of Narberth, an engineer employed in the Dominion's mines.

"Canada," he said, "has 95 per cent of the deep-seated gold veins in North America and its gold output is \$12 per capita, as compared to 50 cents per capita in the United States."

Dr. Theodore J. Grayson, of Rosemont, professor of finance at the Wharton School, spoke in behalf of the United Campaign.

Appointment of two committees was announced by President Drennen.

The first, consisting of Guy Croyle, Dr. Staley and Dr. Purse, will draw up a letter of sympathy to Mrs. Ezra S. Deubler, whose husband, a member and past president of the club, died last week.

The second, consisting of Dr. Barclay L. Jones and Davis, will make a survey of the needs of the community for industrial training for young people.

### Child Study Group Formed

The Junior Women's Community Club of Narberth organized a Child Study Group on Monday evening at the home of Mrs. Fred Gray, chairman of education. There were fifteen members present. Mrs. Samuel McCartney gave an interesting talk on child psychology. This group will meet every month, with the next meeting at the home of Mrs. Monroe Purse, Narberth Hall, May 3.

## Burgess Hall Orders Cleanup of Health and Fire Hazards

### Department Executives Ordered to Keep Strict Watch on Alleys

### MILK BILL IS OPPOSED

Burgess John R. Hall has ordered a clean-up of rubbish and refuse in the business district of Narberth.

In a letter jointly addressed to George B. Supple, health officer, and Charles V. Noel, fire chief, the Burgess pointed out that the condition at the rear of several food and other stores along Haverford avenue constitutes a menace to both health and safety from fire.

The letter was read at Tuesday night's meeting of the Narberth Health Board, together with copies of letters sent to several of the offending business firms by the health officer.

The board, with Daniel Leitch, president, presiding, and with Mrs. Romaine C. Hoffman and Mrs. Elizabeth Williams, members, attending, went on record in opposition to the Heyburn Milk Control Bill now being considered in Harrisburg. The bill is held to jeopardize both home rule and established health standards in the State.

Mr. Supple reported that during March there were seven new cases of scarlet fever, two of German measles and two of chicken pox in the borough. Two cases of scarlet fever and one of German measles were released.

### W. Manayunk Homes Menace to Life. Speaker Declares

At the morning session Mrs. Forrest L. Gager, of Springfield, Chestnut Hill, was elected county president to succeed Mrs. W. M. Gehmann, Jr., of Cynwyd.

Mrs. Gehmann was elected first vice-president; Mrs. W. E. Wirbach, second vice-president; Mrs. Jessie Royer Greaves, third vice-president; Mrs. H. W. Post, of Wynnewood, secretary, and Mrs. Harry Maxwell, of Merion, treasurer.

At the Board of Directors' meeting of the Narberth Fire Company Monday evening, James Purse resigned from the House Committee and Harry Hollar was appointed to fill his place as chairman. Other members of the committee are William S. Howard and Mrs. Eberhardt Mueller.

Gold medals were awarded to Vincent Cunningham, newly elected assistant fire chief, and to George Gillespie, also assistant fire chief, in recognition of their service to the company.

Three of the fire company's active members attended the meeting.

## "Man of Affairs"—Narberth Shows Arliss in Dual Role

"Man of Affairs," at the Narberth this week-end, is a melodrama, with George Arliss in a dual role—a smug cabinet minister and his twin brother, who has found excitement traveling in the Near East. Arliss, kidnapping his brother and impersonating him, solves a murder case that threatened to involve the State Department.

An added feature Saturday at 1 o'clock is the "Columbia Happy Hour."

"You Only Live Once," Monday and Tuesday, is a stark drama, with Henry Fonda as a paroled convict and Sylvia Sydney as his wife. Falsely accused, he is returned to prison, escapes and flees with Miss Sydney, only to have their attempt to begin life anew ended by police guns.

Wednesday (Cash Award Night). "The Great O'Malley" presents Pat O'Brien as a hard-hearted policeman who lives by his book of rules, but who becomes a changed man through the misfortune he causes an unemployed workman and his crippled daughter.

Next week-end, Irving Berlin's "On the Avenue" will be the feature.

### The Debate Proceeds Merrily

To the Editor:

Considerable doubts rest in my mind as to whether this letter will be recognized, but, since several letters, though written by "Democrats," were published, I'm taking that chance.

In the April second issue of *Our Town*, a letter (if such an unmitigated outrage may be deemed such) was published, under an appropriate caption: "An Ingrate Speaks."

The writer speaks of the lack of intestinal fortitude of the august body of Senators and yet does not have enough fortitude to sign his name to the epistle.

He does not blame the New Deal for the added change in his pocket nor his new car, nor his extra money in the bank, but he does not hesitate to blame the New Deal for the present labor difficulties.

In his opinion America and Liberty are synonymous. Liberty and Progressiveness under the New Deal were sanctioned, upheld, and mandated on November 3, 1936, by an overwhelming majority.

It seems that Narberth is poisoned by several of these ingrates who are not good enough sports to admit that the added advantages and improvements in our economics, so obvious to 28,000,000 voters last November, were attained not by their beloved old order of government, but by the liberal and affluent and American New Deal.

I agree with the "ingrate." Let us cast aside party affiliations. Let us be good sports and admit that the New Deal is doing more to "provide for the General Welfare" than any Administration since 1779. Let us do away with unions in politics. Let us do something for America. Let us all realize that what is going on in this country IS benevolence and not under the guise of it. Let us give our wholehearted support to the Administration in order that it might pass such legislation that will provide for the arising economic difficulties that modern civilization brings about, and let us do it now.

Cordially yours,

SAMUEL O. PRUITT, JR.

P. S.—No more than April second's ingrate do I crave publicity, but neither do I give to a newspaper an opinion unsigned and disowned.

## Spring Brings Relief Drop

Seasonal activities have resulted in a decrease in relief cases in both Lower Merion and Narberth in the last week. The rolls in the borough show four families instead of six; Lower Merion's indigent cases dropped from fifty-eight to fifty.

## TIME OUT

With TOMMY MACKLIN

Lower Merion's baseball game with Haverford was postponed on Tuesday because of wet grounds. This game will be played just as soon as the two teams can arrange a suitable date. Haverford School, Spring City and Overbrook will be met this week, the first two games to be played at Pennypacker Field.

Next week the team goes to Upper Darby to engage the league's year in and year out ace ball club.

Coach Fetter's squad is still in the formative stages of development and this week's engagements will give him a more definite idea as to what boys will make up the starting line-up for the rest of the season.

Coach Drumm will take his track team to Norristown tomorrow for a meet with Norristown High School at Roosevelt Field. On Wednesday of next week Media will come to Pennypacker Field for a dual meet.

Joe Leidy, who did fine track work for the Junior and Senior High Schools at Lower Merion some years ago, will finish up his pole-vaulting career at Duke University this spring.
